Aftermarket parts and accessories retailer and distributor
launches seventh store in Alberta

MEDICINE HAT, AB — August 20, 2026 — Lordco Auto Parts will officially open a new store in Medicine Hat, Alberta, on Friday, August 21, at 64 Carry Drive SE in the former Peavey Mart building.

The store will serve automotive enthusiasts, DIYers, and businesses, and stock an extensive inventory of automotive parts and accessories, a dedicated truck centre for truck, SUV, and JEEP owners, and aisles of car care essentials.

Retail customers are encouraged to sign up for [Lordco Loyalty](#), Lordco's free membership savings program. Lordco Loyalty members can take advantage of special membership pricing across almost all categories. In addition to Lordco Loyalty, the Canadian owned and operated retailer offers convenient online ordering for in-store pickup at [lordco.com](#).

Trade and commercial accounts can take advantage of exclusive pricing, expanded inventory access, online ordering, same-day delivery, and dedicated sales representatives when they [open a Lordco Business Account](#).

The store, led by Store Manager Kyle Clark, is backed by a team of 18 employees, 17 of whom were hired locally. Clark is new to Medicine Hat, having moved recently from Revelstoke, British Columbia.

Clark brings a decade of Lordco experience to Medicine Hat, having started with the company as a delivery driver before advancing into sales and store management. Most recently, he spent seven years at Lordco's Revelstoke location, serving as store manager for the past four years.

"Moving to Medicine Hat and opening our doors here is an incredible opportunity," said Clark. "Having spent the last decade growing with Lordco, I know the difference a dedicated local team makes. We've built a great team—nearly all hired right here in the community—and we're eager to show Medicine Hat the trusted service and extensive inventory Lordco is known for."

As Lordco Auto Parts continues to build its footprint throughout Western Canada, the new storefront brings the company's extensive inventory and specialized auto services closer to local drivers and tradespeople.

"Opening our seventh store in Alberta and 87th location overall is a major milestone for Lordco as we continue our expansion across Western Canada," said Shaun Wheeler, Lordco Regional Manager of Alberta. "Medicine Hat is a vibrant, growing community, and bringing our extensive inventory and loyalty perks to the region aligns perfectly with our goal to be Canada's most trusted auto parts retailer."

The store will operate seven days a week:

- **Monday – Friday:** 8:00 a.m. – 7:00 p.m.
- **Saturday:** 8:00 a.m. – 6:00 p.m.
- **Sunday:** 9:00 a.m. – 5:00 p.m.
